## THERESA & SHON (Eng)

**Shon:** When I was growing up, my mom was extremely tidy. We're trained to put things back where we got'em from. One day, when I walked into my mom's house, I felt like I walked into someone else's house. There was stuff everywhere; and just growing up the way I grew up, and to see this transition was very alarming.

**Theresa:** When Shon talked to me, it was a wake-up call. And that's when I went to the doctor.
